

REMARKS

By this amendment, applicants have amended the pages 6 and 7 of the specification to insure that all of the reference numerals in Figure 2, i.e., reference numerals 23, 26, 43 and 44, are described in the detailed description of the invention and that all of the claimed features are shown in the drawings and described in the detailed description. The foregoing amendments to pages 6 and 7 of the specification are supported by Figure 2 and, e.g., original claim 1.

Applicants, through their undersigned attorney, thank the Examiner for the telephone interview conducted between the Examiner and the undersigned on October 21, 2004. During the telephone interview, the foregoing amendments were discussed. The Examiner indicated the amendments would be entered as merely correcting formal matters.

Entry of this amendment is requested.

Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to the deposit account of Antonelli, Terry, Stout & Kraus, LLP, Deposit Account No. 01-2135 (Case: 648.43607X00), and please credit any excess fees to such deposit account.

Respectfully submitted,
